

Dindirin Dindirin
Dindirrin danya,
Dindirrin din

Ju me leve un bel matin
Matinata per la prata.
Encontré le ruyseñor
Que cantava so la rama.
Dindirrindin

Encontré le ruyseñor
Que cantava so la rama.
Ruyseñor, le ruyseñor,
Facteme a questa embaxata.
Dindirrindin

Ruyseñor, le ruyseñor,
Facteme a questa embaxata
Y digalo a mon ami,
Que ju ja so maritata.
Dindirrindin

Translation

I arose one fine morning
And spent the morning in the meadow
I met the Nightingale
Singing on the bough

I met the Nightingale
Singing on the bough
« Nightingale, oh Nightingale
Won't you be my Messenger »

« Nightingale, oh Nightingale
Won't you be my Messenger
And say to my lover
That I am already a married woman »
