Now Christmas is comen and New Year begin,
Pray open your door and let us come in. *Refrain*

We hope that your apple trees will prosper and bear
And bring forth good cider when we come next year. *Refrain*

We hope that your barley will prosper and grow
That you may have plenty and some to bestow. *Refrain*

I wish you a blessing and a long time to live
Since you've been so free and willing to give. *Refrain*
